

Introduction to the course:

Biblical hermeneutics is the science of properly interpreting the various types of literature found in the Bible. For example, a psalm should often be interpreted differently from a prophecy. A proverb should be understood and applied differently from a law. Biblical hermeneutics helps us to know how to interpret, understand and apply the Bible.

Lecturer: Rev. Ng Kok Kee

Rev. Ng is the President of Bible College of Malaysia. A graduate from Fuller Seminary U.S., he lectures in Church History, Theology and books of the Bible. He is one of the senior ministers in the Assemblies of God, Malaysia.
